

Epiphan SupportPlan and SupportPlan+

Support from the team that designs and builds your products

Included with every Epiphan product is a complimentary support plan including one-year of telephone support, a limited warranty (covering product repair or replacement) and firmware upgrades for the lifetime of the product platform.

Extend your product support

We are pleased to offer you options for extended support through Epiphan's **SupportPlan** and **SupportPlan+**.

Not sure if you need an extended support plan? No problem, our plans can be purchased anytime within the first year of ownership (one year from the original ship date).
